Welcome to the small demo of *APG Paper Figures: Gladiators* brought to you by Alea Publishing Group and Pegaso Models. In this demo, we have two bonus figures. The first of which, is brought to as a bonus figure in addition to those found in *APG Paper Figures: Gladiators*. The second bonus figure is an example of one of the great figures you will find in the Gladiator set.

We are also constantly attempting to improve on the quality and stability of our paper figures. That is why this format is different from the format we originally began with for those familiar with our first paper product *APG Paper Figures: Military Orders*. However, we would like to hear from you to discover which format you prefer because, for us, we are working hard to meet your needs. So let us know! You can contact us through our PR guy Cameron Guill at [cguill@aleapublishing.com](mailto:cguill@aleapublishing.com) Enjoy!
